About HolyWave Ministry

Sa-Rang Community Church* has been running the good race for the past 33 years with the vision of “becoming a Spirit-filled community of fully committed disciples who will impact the world.” Fourteen years ago in 2007, our English Ministry was rebirthed as HolyWave with the vision to not only provide a haven for second generation Korean-Americans, but to welcome the local community ([Read Our Story](#)).

We are currently seeking a lead pastor for HolyWave who will serve the congregation with the heart of Jesus, and with passion and humility.
